1. ADSO, this date, requested me to furnish you with a memorandum concerning the above subject. It appears that subject arrived at his present station of [redacted] on 14 July 1947. At that time, he had signed the usual twenty-four months agreement. 25X1A Subsequently, he was transferred on a permanent change of station from [redacted] to [redacted]. He left [redacted] on 4 August 1948 and arrived in Washington on 5 August 1948 for temporary duty in accordance with orders. 2. ADSO advised that it is his wish, if consistent with regulations, that subject continue under the terms of his original twenty-four months agreement. This office sees no legal objection to such procedure. This would mean that subject has the legal right to be returned to the United States for reassignment or termination after 14 July 1949. It was understood between ADSO and subject that he would remain at his new permanent station for a two-year period. However, this understanding does not supersede the terms of the original written twenty-four months agreement.

3. Subject was informed that in so far as home leave is concerned, the matter was open to question as to whether he would be entitled to such leave after 14 July 1949 or two years from the date of his arrival at [redacted]. There is a question of interpretation of existing regulations which will be determined at a later date as the occasion arises.
